

## HICARE's Contributions Toward Lasting World Peace

Commemorating 80 Years since the Atomic Bombing / 35th Anniversary of HICARE

# International Symposium

Commemorating 80 Years since the Atomic Bombing / 35th Anniversary of HICARE, an International Symposium will be held to deepen understanding of medical care for radiation-exposed individuals.

We will review the achievements of HICARE and its member organizations and explore future directions to further support the health and well-being of exposed populations.

Sunday, February 8, 2026 1:00 PM – 5:00 PM

Hiroshima International
Conference Center, "Himawari"
1-5 Nakajima-cho, Naka-ku, Hiroshima

Free admission - First 200 participants
